

This Month's Special Stanley Lambert Barossa Valley From Australia

STANLEY LAMBERT wines have been busy redeveloping the market in the USA, currently serving over 20 states, while retaining their following in restaurants and markets around the world.

• The framework is a unique one that does not exist for any other small wine company in Australia. • The emphasis is based on family business and getting the absolute highest quality wine to customers as directly as possible without using the traditional channels while keeping the final costs as low as possible.

Stanley Lambert Nordic Frost Dry Riesling 2009

• These Riesling grapes were hand-picked from the Lambert Estate Vineyard, then chilled to 2 degrees centigrade prior to basket pressing to preserve the fresh citrus characters of the variety. • This wine shows a beautiful dryness, common to Australian Rieslings.

Stanley Lambert • Three's Company GSM 2007

• The lightly scented characters of the Grenache grape, when blended with the fruity Shiraz and the soft, plummy Mourvedre, create a medium bodied wine with a medley of flavours, aged in oak for 6 months.

Stanley Lambert Tempt Me Tempranillo 2008

Tempranillo is a popular Spanish grape variety selected with the belief that it is well suited to the Barossa Valley climate. Aged in French Oak Hogsheads for 15 months the wine is characteristic of light cherry, plum and strawberry, medium bodied with low acid and tannin finish. Well suited to accompany a range of appetizers and tapas.
